RE: **Shred Events 2018**

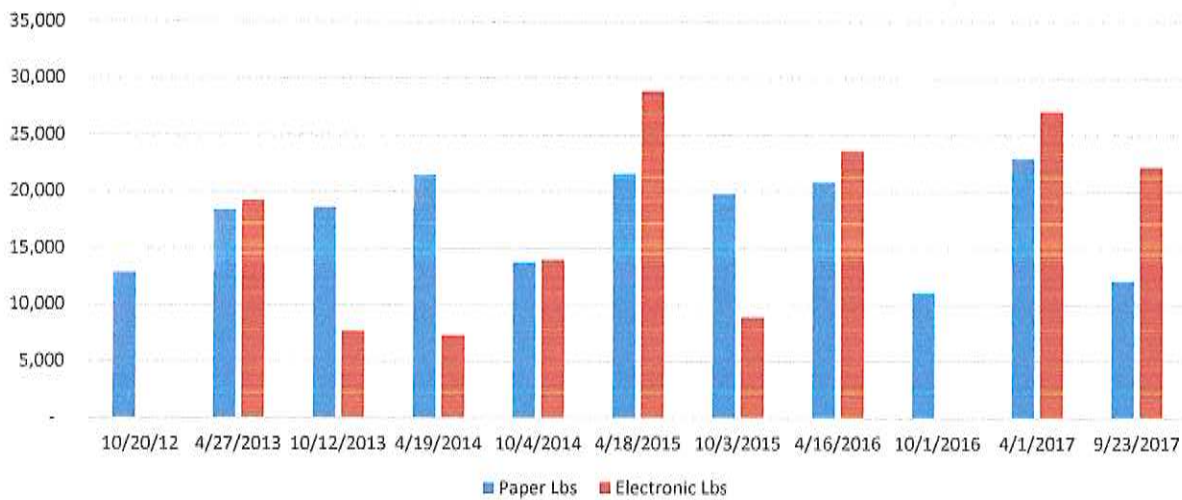

Staff has analyzed costs vs poundage of shredding and electronic recycling events. Please see attached analysis. Solid Waste Agency of Lake County (SWALCO) is continuing to have collection sites for electronic recycling in 2018. Cuba Township is no longer a site but another is available at Prairieland Disposal at 21988 N Pepper Road in Lake Barrington. Deer Park residents are allowed to drop off 10 items for recycling per visit. This information is available on our website and will be in an article in the February Newsletter. Due to the proximity and convenience of the Pepper Road drop off site, staff would like the Board to consider holding only one shredding and electronic recycling event this year in the Fall

The cost for electronic recycling with Elgin who we have used for several years at our shred/recycle events has increased exponentially. Staff has decided it prudent in regards to budgetary confines to switch back to COM2 recycling who had been previously contracted back in 2012 and 2013. This switch would result in over 85% cost savings to the Village. Paper shredding would continue with Accurate Document Destruction as their fees are competitive with other shredding vendors however, their service is excellent and proven to be a worthwhile partnership with the Village.
