**Public Hearing Sign Requirements**

The petitioner shall post and maintain, for a period of not less than fifteen (15) days prior to the hearing, the notice of public hearing. The sign shall remain until the Public Hearing is adjourned. Said notice shall be erected not more that fifteen feet (15') from the front lot line(s), and not less than three feet (3 ') aboveground, nor more than six feet (6') aboveground, and placed in such a manner so as to be visible from the adjacent street(s). The face of the notice shall be made of weather resistant material and shall be three feet by four feet (3' x 4') with black letters on a white background and water proof material; said letters shall be a minimum size as indicated below. Said notice shall be in the following form:
